Project Reference: 2017-1-ES01-KA202-038346

Co-funded by the Erasmus+ Programme of the European Union movetia
“Green Logistics Manager” project is a Key Activity 2 project funded under the Erasmus+ Programme

AIMS

- To develop common EU competences for Green Logistic Managers.
- To create a basic training program for Green Logistic Managers using innovative technologies and open educational resources.
- To allow Green Logistics Manager to identify Green issues to be tackled & be aware when/where to update own knowledge base in relation to “green” aspects.
- To enhance knowledge for trainers, managers, stakeholders and companies in the logistic sector, through the cross media platform.

PROJECT OUTPUTS

1. BEST PRACTICES
   Collection of best practices in Green Logistics.

2. COMPETENCE MAP
   ECVET Competence based Green Logistic Manager profile.
